

Meridian Notice of Default 2024-01-18

Case: chen-v-meridian | Category: NOTICE

NOTICE OF DEFAULT

Date: January 18, 2024.

From: Meridian Holdings Ltd.

To: Marcus Chen.

Meridian alleges unpaid rent, common area maintenance charges, and late fees totaling \$119,240. The notice states that Chen must cure within 30 days or vacate the premises.

Attached ledger issue: The ledger lists December 2023 rent as unpaid, applies \$18,500 in disputed late fees, and does not reflect Chen's February 2, 2024 wire transfer confirmation.

Internal review note: This notice appears inconsistent with lease section 8.2 because it gives 30 days instead of 90 days and does not itemize the disputed CAM charges.
